Re: Escalation of Reclamation Surety to the Year 2012, Morton International, Inc. or Morton Salt DBA, Morton Salt-Grantsville, M0450037, Tooele County, Utah

Dear Mr. Huizingh:

The Division has escalated the surety amount of \$1,819,600.00 in 2007 dollars, to the year 2012. The escalation rate is 3.2%, resulting in a surety requirement of \$2,129,975.00. This increased amount is based on escalation only.

***In addition to the increased surety, a new reclamation contract is required.*** Please contact surety coordinator, Mr. Jed Pearson, 801-538-5382, for instructions on how to submit the increase of \$310,375.00 and the new reclamation contract.

***This surety amount and reclamation contract is due by July 15, 2008.***

In addition, the Division would like to meet with you and determine if the existing Notice of Intention to Conduct Mining Operations (NOI) is adequate and reflects the current operation conditions at the Morton Salt-Grantsville site. Please contact Ms. Leslie Heppler (801) 538-5257 or Ms. Beth Ericksen (801) 538-5318 to arrange the meeting by July 30, 2008.

If you have any questions concerning this letter, please contact either of the above named staff.

Sincerely,

Susan M. White  
Mining Coordinator  
Minerals Regulatory Program
